## Katy On A Mission by Katy B

In this room of darkness I ain't undercover

## Fill in the gaps

Making my adrenalin rise I feel the eyes on me

That won't stop my (1) rubbing off on to	Sip the bottle now don't be slow
another	Keep up with me as we lose control
Elevating higher as my body's moving lower	Keep up with me as we lose control
Now I've reached my element, you better move over	When we erupt into the room
But he doesn't, he blocks my way	And hear the sub go boom
I try to push past but he wants to play	A feeling easy to resume
So I sip his drink as I hold his gaze	This right here I swear will end too soon
When we erupt into the room	So I sink in to the tune
And hear the sub go boom	As I inhale the fume
A feeling easy to resume	A (5) (6) to resume
This right here I swear will end too soon	This (7) here I swear will end to soon
So I sink in to the tune	(This right here I swear (8) end to soon)
As I inhale the fume	This (9) here I swear will end too soon
A feeling easy to resume	This right here I swear will end too soon
This right here I swear will end too soon	This right here I swear will end too soon
(This right here I swear will end too soon)	When we erupt into the room
This right (2) I swear	And hear the sub go boom
This right here I swear	A feeling easy to resume
This right here I swear will end too soon	This right here I swear (10) end too soon
My (3) seem to move what the beat dictates to	
me	
I push in to the middle the (4) becomes a part of	
me	
Taking me back to that sweet familiarity
