Be Without You by Mary J. Blige

Fill in the gaps

I wanna be with you, gotta be with you, need to be with you	'Cause I can't sleep without you baby
I wanna be with you, gotta be with you, need to be with you	If anybody who's ever loved, you (4) just what I
Chemistry was crazy from the get-go	feel
Neither one of us (1) why	Too hard to fake it, nothing can replace it
We didn't build nothing overnight 'cause	Call the (5) if you just can't be without your baby
A love like this takes some time	Yeah
People swore it off as a phase	See this is real talk come on always stay (no matter what)
Said we can't see that	Good or bad (thick and thin)
Now (from) top to bottom	Right or wrong (all day everyday)
They see that we did that (yes)	Now if you're down on love or don't believe
It's so true that (yes)	This ain't for you (no, (6) ain't for you)
We've been through it (yes)	And if you got it deep in your heart
We got real () (yes)	And deep down you know that it's true (come on)
See baby we've been too strong for too long	Well, let me see you put your hands up (hands up)
And I can't be without you baby	Fellas tell your lady (she's the one)
And I'll be waiting up until you get home	Fellas tell your lady she's the one
'Cause I can't (2) without you baby	Put your hands up (hands up)
Anybody who's ever loved, you know just what I feel	Ladies let him know he's got your love
Too hard to fake it	Look him right in his eyes and tell him
Nothing can replace it	We've been too strong for too long
Call the radio if you just can't be without your baby	And I can't be without you baby (can't be without you baby)
I got a question for you, see I already know the answer	I'll be waiting up (7) you get home
But still I wanna ask you, would you lie (no)	'Cause I can't sleep without you baby
Make me cry (no)	Anybody who's ever loved, you know (8) what I
Do something behind my back and (3) try to cover	feel
it up	Too hard to fake it, nothing can replace it
Well, neither would I, baby	Call the radio if you just can't be without your baby
My love is only your love (yes)	I wanna be with you, gotta be with you, need to be
I'll be faithful (yes)	(9) you
I'm for real (yes)	I wanna be with you, gotta be with you, need to be with you
And with us you'll always know the deal	I wanna be with you, (10) be with you, need to
We've been too strong for too long	be with you
And I can't be without you baby	I wanna be with you, gotta be with you, need to be with you
And I'll be waiting up until you get home	I wanna be with you, gotta be with you, need to be with you
