Be Without You by Mary J. Blige

Fill in the gaps

I wanna be with you, (1) be with you, need to be	'Cause I can't sleep without you baby
with you	If anybody who's ever loved, you know just what I feel
I wanna be with you, gotta be with you, (2) to be	Too (14) to fake it, nothing can replace it
with you	Call the radio if you just can't be (15) you
Chemistry was crazy from the get-go	baby
Neither one of us knew why	Yeah
We didn't build nothing overnight 'cause	See this is (16) talk come on always stay (no
A love like this takes some time	(17) what)
People swore it off as a phase	Good or bad (thick and thin)
Said we can't see that	Right or wrong (all day everyday)
Now (from) top to bottom	Now if you're down on love or don't believe
They see that we did that (yes)	This ain't for you (no, this ain't for you)
It's so true that (yes)	And if you got it deep in your heart
We've been (3) it (yes)	And deep (18) you know that it's true (come on)
We got (4) () (yes)	Well, let me see you put your hands up (hands up)
See baby we've been too strong for too long	Fellas tell (19) (20) (she's the one)
And I can't be without you baby	Fellas tell your (21) she's the one
And I'll be waiting up until you get home	Put your hands up (hands up)
'Cause I can't sleep (5) you baby	Ladies let him know he's got your love
Anybody who's ever loved, you know just what I feel	Look him right in his eyes and tell him
Too hard to fake it	We've (22) too strong for too long
Nothing can replace it	And I can't be without you baby (can't be without you baby)
Call the radio if you (6) can't be	I'll be waiting up until you get home
(7) (8) baby	'Cause I can't sleep without you baby
I got a question for you, see I already know the answer	Anybody who's ever loved, you know (23) what
But (9) I wanna ask you, would you lie (no)	feel
Make me cry (no)	Too hard to fake it, nothing can (24) it
Do something behind my back and then try to cover it up	Call the radio if you just can't be without your baby
Well, neither would I, baby	I wanna be with you, gotta be with you, (25) to be
My love is only your love (yes)	with you
I'll be faithful (yes)	I wanna be with you, gotta be (26) you, need to be
I'm for real (yes)	(27) you
And with us you'll always (10) the deal	I wanna be with you, gotta be with you, need to be with you
We've been too (11) for too long	I wanna be with you, gotta be with you, need to be with you
And I can't be (12) you baby	I wanna be with you, gotta be (28) you,
And I'll be waiting up (13) you get home	(29) to be with you
