

You've got me going crazy

Wherever you go

Fill in the gaps

Right Here Waiting by Richard Marx

Oceans apart day after day	Whatever you do
And I slowly go insane	I (6) be right here waiting for you
hear your (1) on the line	Whatever it takes
But it doesn't stop the pain	Or how my heart breaks
f I see you next to never	I (7) be right here waiting for you
How can we say forever	I wonder how we can survive
Wherever you go	This romance
Whatever you do	But in the end if I'm with you
will be right here waiting for you	I'll take the chance
Whatever it takes	Oh, can't you see it baby
Or how my heart breaks	You've got me (8) crazy
(2) be right (3) (4)	Wherever you go
or you	Whatever you do
took for granted, all the times	I (9) be right here waiting for you
That I thought would (5) somehow	Whatever it takes
hear that laughter	Or how my heart breaks
taste the tears	I will be right here (10) for you
But I can't get near you now	Waiting for you
Oh, can't you see it baby
