Right Here Waiting by Richard Marx

Oceans apart day after day	Whatever you do	
And I slowly go insane	I (14) be right here (15) for	· you
I (1) your voice on the line	Whatever it takes	
But it doesn't (2) the pain	Or how my (16) breaks	
If I see you next to never	I will be (17) here waiting for you	
How can we say forever	I wonder how we can survive	
Wherever you go	This romance	
Whatever you do	But in the end if I'm with you	
I (3) be (4) (5)	I'll take the chance	
(6) for you	Oh, can't you see it baby	
Whatever it takes	You've got me going crazy	
Or how my heart breaks	Wherever you go	
I will be right (7) waiting for you	Whatever you do	
I took for granted, all the times	I (18) be right here (19) for	you
That I (8) (9) last somehow	Whatever it takes	
I (10) (11) laughter	Or how my (20) breaks	
I (12) the tears	I will be right (21) waiting for you	
But I can't get near you now	Waiting for you	
Oh, can't you see it baby		
You've got me (13) crazy		
Wherever you go
