

Fill in the gaps

Right Here Waiting by Richard Marx

Oceans apart day after day	Whatever you do
And I (1) go insane	I will be (7) here waiting for you
I hear (2) voice on the line	Whatever it takes
But it doesn't stop the pain	Or how my heart breaks
If I see you next to never	I will be right here waiting for you
How can we say forever	I wonder how we can survive
Wherever you go	This romance
Whatever you do	But in the end if I'm with you
I (3) be right here waiting for you	I'll take the chance
Whatever it takes	Oh, can't you see it baby
Or how my heart breaks	You've got me (8) crazy
I will be right (4) waiting for you	Wherever you go
I took for granted, all the times	Whatever you do
That I thought (5) last somehow	I will be right here (9) for you
I hear that laughter	Whatever it takes
I (6) the tears	Or how my heart breaks
But I can't get near you now	I will be right here waiting for you
Oh, can't you see it baby	Waiting for you
You've got me going crazy	
Wherever you go
