

Fill in the gaps

(Just tell them)	So, so, so, so, so
See I've been (1) you for a while	Loving you has taken time, take time
Your smile and stuff but I know if I can	But I always knew you could be mine, mine
Be with you for tonight, alright	I recognize the butterflies (7) me
Is that alright, baby	Sense is gonna be made tonight, tonight
Baby	All you gotta do is say yes
There is only one	All you gotta do is say yes
For me	Don't deny what you feel let me undress you, babe
You have made that a possibility	Open up your mind and just rest
We could (2) that step to see	I'm about to let you know
If (3) is really (4) be	You make me so
All you gotta do is say yes	
All you gotta do is say yes	Don't deny what you (8) let me
Don't (5) what you feel let me undress you, babe	(9) you, babe
Open up your mind and just rest	Open up your (10) and just rest
I'm about to let you know	I'm about to let you know
You make me so	You make me so, so
All you gotta do is say yes	So, so, so, so, so
Don't deny what you feel let me undress you, babe	You make me so, so
Open up your mind and just rest	So, so, so, so, so
I'm about to let you know	You make me so, so
You make me so, so	So, so, so, so, so
So, so, so, so, so, so	You make me so,
You (6) me so, so
