

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to (1)_____ cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are never ending
Send (2)_____ (3)_____
descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a (4)_____ tower
The energy receiving

Cut a hole (5)_____ through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm (6)_____ to find a happy place
A happy place
A happy place
A happy...
Find a star, (7)_____ down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're (8)_____ to find a happy
We're going to (9)_____ a happy place
A (10)_____ place
A happy place
A happy...

Fill in the gaps

Answer
