What Took You So Long by Emma Bunton

Talk to me, can't you see	What took you forever to see I'm right
I'll help you work things out	You know I (11) you so good (I treat you so
Don't (1) be your enemy	good)
And I don't want to scream and shout	I make you feel fine (I make you (12) fine)
'Cause baby I believe in honesty	You (13) I'll never give it up this time
A man that's strong and true	No, no, no
I shouldn't have to say now baby	No, no, no
That I believe in you	No. no, no
What took you so long	No, no, no
What (2) you all night	Baby I (14) in honesty
What (3) you forever to see I'm right	A man that's strong and true
You know I'll (4) you so good	I shouldn't have to say now baby
I'll (5) you feel fine	That I (15) in you
You know I'll never give it up this time	What took you so long
No, no, no	What (16) you all night
You touched my heart	What (17) you (18) to see I'm
Right from the start	right
You didn't know what to say (didn't know what to say)	You (19) I treat you so good
But honey, understand	I make you feel fine
When you take my hand	You know I'll never give it up this time
Everything's OK	What (20) you so long (What took you so long)
'Cause baby I believe reality	What took you all (21) (What (22)
It's never far away	you all night)
I've had enough so listen baby	What took you forever to see I'm right
I've got something to say	You know I treat you so good (I treat you so good)
What (6) you so long	I make you (23) fine (I make you (24)
What took you all night	fine)
What took you (7) to see I'm right	You know I'll never (25) it up this time
You know I treat you so good	What took you so long (What took you so long)
I make you (8) fine	What (26) you all night (What took you all night)
You (9) I'll (10) give it up this time	What took you forever to see I'm right
What took you so long (What took you so long)	You know I treat you so (27) (I treat you so good)
