

## Fill in the gaps

You're beautiful so silently	I (13) for you
It lies beneath a shade of blue	And the sky cried for you
It (1) me so violently	And when you went
When I (2) at you	l became a (14) drifter
But (3) pass, the never pause	But this (15) was not for you
To (4) that (5) in your hand	Though I learned (16) you
To me you're like a wild rose	That (17) (18) (19) be a
They (6) understand why	whisper
I (7) for you	Without you now I see
When the sky cried for you	How fragile the world can be
And (8) you went	And I know you've gone away
I became a hopeless drifter	But in my heart you'll (20) stay
But this life was not for you	I (21) for you
Though I (9) from you	And the sky cried for you
That beauty need only be a whisper	And (22) you went
I'll (10) the sea for a different world	I became a hopeless drifter
With (11) treasure, a (12) for me to	But this life was not for you
hold	Though I (23) you
In many years they may forget	That (25) need only be a whisper
This love of ours or that we met	That beauty need (26) be a whisper
They may not know	
How much you meant to me
