Broken people get recycled	Imagine if you let go
And I hope that I will	Blame no one is to blame
Sometimes we're thrown off our pathways	As natural as the (3)_____ that falls
What I thought was my way home...	Here comes the (4)_____ again
Wasn't the place I	Wash away the weight that (5)_____ you down
No I'm not afraid of changing	Ride the waves that free from your doubts
I am certain nothing's certain	Don't trust your eyes it's easy to believe them
What we own becomes our prison	Know in your heart that you can leave your prison
My (1)_____ (2)_____ be gone...	Don't trust your (6)_____ it's not (7)_____
Back to where they came from	listening
Blame no one is to blame	Turn on the lights and feel the ancient rhythm
As natural as the rain that falls	Don't trust your eyes it's (8)_____ to believe them
Here comes the flood again	Know in your heart that you can leave your prison
See the rock that you hold onto	Blame no one is to blame
Is it gonna save you	As natural as the rain that falls
When the earth begins to crumble	Here (9)_____ the flood again
