

## Fill in the gaps

(1) on so nervously	Well, I'm still imagining
To me and my drink	A (11) little place
I wish it was cooling me	Or (12) place or my place
But so far has not (2) good	Well I'm not paralyzed but I (13) to be
It's been ()	(14) by you
And I feel (3) as I should	I wanna make you move
This (4) has got to be	Because you're standing still
The most (5) thing	If your body matches what (15) eyes can do
Since I (6) you and me	You'll (16) move (17)
Well, I am imagining	through
A dark lit place	Me on my way to you
Or your place or my place	Well I'm not paralyzed but I seem to be (18)
Well I'm not paralyzed but I seem to be struck by you	by you
I wanna make you move	I (19) make you move
Because you're standing still	Because you're standing still
If your body matches what your eyes can do	If your body matches what your eyes can do
You'll probably move right through	You'll probably move right through
Me on my way to you	Me on my way to you
I (7) out for one (8) drink	Not paralyzed but I (20) to be (21)
Before I think	by you
I'm looking too desperately	I wanna make you move
But so far has not been fun	Because you're standing still
I should just stay home	If your body (22) (23)
If one thing really means one	(24) eyes can do
This (9) (10) hopefully	You'll probably (25) (26) through
Be closed in three weeks	Me on my way to you
That would be cool with me	You'll probably move right through
	Me on my way to you
	You'll probably move right through

Me on my way to you
