### This Used To Be My Playground by Madonna

This used to be my playground	Well then, there's hope yet
This used to be my childhood dream	I can see (12) face in our (13)
This used to be the place I ran to	place
Whenever I was in (1) of a friend	You're not just a memory
Why did it have to end	Say goodbye to yesterday
And why do they always say	Those are words I'll never say
Don't look back	(I'll (14) say)
Keep your head held high	This used to be my playground
Don't ask (2) why	(Used to be)
Because life is short	This used to be our pride and joy
And before you know	This used to be the (15) we ran to
You're feeling old	That no one in the world could dare destroy
And (3) heart is breaking	This used to be our playground (used to be)
Don't hold on to the past	This used to be our childhood dream
Well, that's too much to ask	This (16) to be the (17) we ran to
This (4) to be my playground	I wish you were standing here with me
(Used to be)	This used to be our playground
This used to be my (5) dream	(Used to be)
This used to be the (6) I ran to	This used to be our childhood dream
Whenever I was in (7) of a friend	This used to be the place we ran to
Why did it have to end	The best (18) in life are always free
And why do they always say	Wishing you were (19) with me
No regrets	
But I (8) that you (9) (10)
