

Love

## Fill in the gaps

I used to think that I wasn't fine enough	Never (14) what I was missing
And I (1) to think (2) I wasn't wild	But I (15) (16) we start kissing
enough	I found
But I won't waste my time (3) to figure out	I found you
Why you (4) games, what's this all about	(Who would (17) known)
And I can't (5) you're (6)	I'd find you
me	(Who)
I met your girl, what a difference	Now you're gone, what am I gonna do
What you see in her you ain't seen in me	So empty my heart, my (18) can't go on
But I guess it was all (7) make believe	Go on, baby, (19) you
Oh, love	Rainy (20) fade away
Never knew what I was missing	When you (21) around say you're (22)
But I knew once we start kissing	to stay
I found	With me boy I don't want you to leave me
Love	I need you (love)
Never knew (8) I was missing	Never knew what I was missing (I never knew)
But I knew once we (9) kissing	But I (23) once we (24) kissing
I found	I found
I (10) you	Love
Now you're gone, what am I gonna do	Never (25) what I was missing (I never knew)
So empty my heart, my (11) can't go on	But I knew once we start kissing
Go on without you	I found
My rainy days fade away when you	Love
Come around please (12) me, baby	Never knew (26) I was missing (I never, never,
Why you go so far away	never)
Why you go love	But I knew once we (27) kissing (we start
Never (13) what I was missing	kissing)
But I knew once we start kissing	I found (I found, I found)
I found	Love
