

Fill in the gaps

used to think that I wasn't fine enough	Never knew what I was missing
And I used to think that I wasn't wild enough	But I knew once we start kissing
But I won't waste my time trying to figure out	I found
Why you playing games, what's this all about	I found you
And I can't believe you're hurting me	(Who would have known)
met your girl, what a difference	I'd find you
Nhat you see in her you ain't seen in me	(Who)
But I guess it was all (1) make believe	Now you're gone, what am I gonna do
Oh, love	So empty my heart, my soul can't go on
Never knew what I was missing	Go on, baby, without you
But I (2) once we (3) kissing	Rainy days fade away
found	When you come around say you're here to stay
Love	With me boy I don't want you to leave me
Never (4) what I was missing	I need you (love)
But I knew once we start kissing	Never knew (7) I was missing (I (8)
found	knew)
found you	But I knew once we start kissing
Now you're gone, what am I gonna do	I found
So empty my heart, my soul can't go on	Love
Go on (5) you	Never knew what I was missing (I never knew)
My rainy days fade away when you	But I knew once we start kissing
Come around please tell me, baby	I found
Nhy you go so far away	Love
Why you go love	Never knew what I was missing (I never, never, never)
Never knew what I was missing	But I knew (9) we start kissing (we start kissing)
But I knew once we (6) kissing	I found (I found, I found)
found	Love
