Get the **** away from me	A way back inside my mind
I (1) that I	I need to find
Have done wrong and continue to do	A way back inside my mind
So but without remorse	I need to find
I (2) that I	A way (8) inside my mind
Am on a fast track to the grave	This is not the end
And I'm (3) there alone	This is the end of
I struggle to find myself this time	This is not the end
Save (4) for a man with a conscience	This is the end of
I fight to (5) myself this time	This is not the end
Save yourself for a man that is not me	This is the end of
I (6) my days looking through pages	This is not the end
Trying to find a way, to get away from me	(RAH!)
With love to give that (7) you breathless	(OHH!)
Now all I need to find	Every mistake I've made
A way back inside my mind	Leaves a scar (9) (10) every day
I don't want to leave you breathless	Yet still I carry on
When will you realize	Without regret without remorse I'm gone
I don't want to leave you breathless	You're better off to walk away
When will you realize	I am corruption, I am sin
I don't want to leave you breathless	Forget my name
When will you save yourself	Forget my face
Yeah!	Forget my name
I spend my days looking through pages	Forget my face
Trying to find a way, to get away from me	
With love to give that leaves you breathless	
Now all I need to find
