Something Beautiful by Robbie Williams

You can't manufacture a miracle			If you're lost, hurt, tired or lonely
The silence was pitiful			Can't control it
That day			Try as you might
Our (1)	is (2)	too cynical	May you find that love that won't leave you
Passion's just physical			May you find it by the end of the day
These days			You won't be lost, hurt, tired and lonely
You analyze everyone you meet			Something beautiful will come your way
But get no sign, love ain't kind			(Will come your way)
Every night you admit defeat			Some kind of beautiful
And cry yourself blind			(Will come your way)
If you can't wake up in the morning			Some kind of beautiful
'Cause your bed lies vacant at night			(Will come your way)
If you're lost, hurt, tired or lonely			Some kind of beautiful
Can't (3) it			(Will come your way)
Try as you might			All your friends think you're satisfied
May you find that (4) that won't leave you			But they can't see (7) soul no, no, no
May you find it by the end of the day			Forgot the time feeling petrified
You won't be lost, hurt, tired and lonely			When they lived alone
Something beautiful will come your way			If you can't wake up in the morning
The DJ (5) on the radio			'Cause your bed lies vacant at night
Life should be stereo			If you're lost, hurt, tired or lonely
Each day			Can't control it
In the past you cast the unsuitable			Try as you might
Instead of some kind of beautiful			May you find (8) love that won't (9)
You just couldn't wait			you
All your friends think you're satisfied			May you find it by the end of the day
But they can't see your soul no, no, no			You won't be lost, hurt, tired and lonely
Forgot the time	e (6)	petrified	Something beautiful will come your way
When they lived alone			You won't be lost, hurt, tired and lonely
If you can't wake up in the morning			Something beautiful (10) come your way
