Something Beautiful by Robbie Williams

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The silence was pitiful	Can't control it
That day	Try as you might
Our love is (1) too cynical	May you find that love that won't leave you
Passion's just physical	May you find it by the end of the day
These days	You won't be lost, hurt, tired and lonely
You analyze everyone you meet	Something beautiful will come your way
But get no sign, love ain't kind	(Will come your way)
Every (2) you admit defeat	Some kind of beautiful
And cry yourself blind	(Will come your way)
If you can't (3) up in the morning	Some kind of beautiful
'Cause your bed lies vacant at night	(Will come your way)
If you're lost, hurt, tired or lonely	Some kind of beautiful
Can't (4) it	(Will (7) your way)
Try as you might	All your friends think you're satisfied
May you find that love that won't leave you	But they can't see your soul no, no, no
May you find it by the end of the day	Forgot the time feeling petrified
You won't be lost, hurt, tired and lonely	When they lived alone
Something beautiful will come your way	If you can't (8) up in the morning
The DJ said on the radio	'Cause your bed lies vacant at night
Life (5) be stereo	If you're lost, hurt, tired or lonely
Each day	Can't control it
In the past you cast the unsuitable	Try as you might
Instead of some kind of beautiful	May you find that love that won't leave you
You just couldn't wait	May you (9) it by the end of the day
All your friends think you're satisfied	You won't be lost, hurt, tired and lonely
But (6) can't see your soul no, no, no	Something beautiful will come (10) wa
Forgot the time feeling petrified	You won't be lost, hurt, tired and lonely
When they lived alone	Something beautiful will come your way
If you can't wake up in the morning
