

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls (1)_____ the shore

As the light (2)_____ low, will I see you any more?

As the rain falls from the sky

Can I bring you back, from a distant lullaby?

Show me your vision, the story begun

Two lights are (3)_____ and burning as one

In the (4)_____ blue of the night

Shine the (5)_____ of stars and my spirit burning bright

Spinning on, into the sun

Flying higher now my journey's begun

And the cold, (6)_____ wind, it blows me away

The feeling all over is a black, black day

But I know that I'll see you again

And I know that you're near me

There's a star, calling my name

It's (7)_____ is true and the song is not the same

Take my hand and lead me away

Bring me back to you in your arms I'm going to stay

Tell me your vision, the story begun

Two lights are rising and burning as one

All those (8)_____ drifting in space

I have known you well, yet I've never seen your face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, (9)_____ wind, it blows me away

The (10)_____ all over is a black, black day

But I know that I'll see you again

And I know that you're near me
