I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was (1)_____ while I drove
The long straight (2)_____ ahead
Could taste (3)_____ sweet (4)_____ your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is (5)_____ alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
What in this world
Keep us from tearing apart
No matter (6)_____ I go I hear
The beating of (7)_____ heart
I think about you when the night is cold and dark
No one can move me the way that you do
Nothing erases this feeling between me and you
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is (8)_____ alright
I drove all night
Crept in your room
Woke you (9)_____ your sleep
To (10)_____ love to you
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
