Maybe I should have called you first

But I was dying to get to you

I was dreaming while I drove

The long straight road ahead

I drove all night

To get to you

Is that alright

I drove all night

Crept in your room

Woke you from your sleep

To make love to you

Is that alright

I drove all night

What in this world

No matter where I go I hear

The beating of your heart

I think about you when the night is cold and dark

No one can move me the way that you do

Nothing erases this feeling between me and you

To get to you
