

## Fill in the gaps

spinning in my mind

Here I stand alone		Do you pray that I'd never left your side
With this weight upon my heart		What if I had never let you go
And it will not go away		Would you be the man I used to know
In my (1) I keep on looking back		If I'd stayed, if you'd tried
Right back to the start		If we (5) only turn back time
Wondering what it was that made you change		But I guess we'll never know
Well I tried but I had to draw the line		If only we could turn the hands of time
And still this question keeps on (2)	in my	If I could take you back would you still be mine
mind		'Cause I tried but I had to draw the line
What if I had never let you go		And still this question keeps on spinning in my mind
Would you be the man I used to know		What if I had never let you go
If I'd stayed, if you'd tried		Would you be the man I (6) to know
If we could only turn back time		What if I had never walked away
But I guess we'll never know		'Cause I still love you (7) than I can say
Many roads to take		If I'd stayed, if you'd tried
Some to joy, some to heartache		If we could only turn back time
Anyone can lose their way		But I (8) we'll never know
And if I said that we (3) turn it back		We'll (9) know
Right back to the start		
Would you (4) the chance and make the char	nge	
Do you think how it would have been sometimes
