

Fill in the gaps

Here I stand alone	Do you pray (5) I'd never (6) your side
With this weight upon my heart	What if I had never let you go
And it will not go away	Would you be the man I used to know
In my head I keep on looking back	If I'd stayed, if you'd tried
Right back to the start	If we could only turn back time
Wondering what it was that made you change	But I guess we'll never know
Well I tried but I had to draw the line	If only we could turn the hands of time
And still this question keeps on spinning in my mind	If I could take you back would you still be mine
What if I had never let you go	'Cause I tried but I had to draw the line
Would you be the man I used to know	And (7) this question keeps on spinning in my
If I'd stayed, if you'd tried	mind
If we could only (1) back time	What if I had never let you go
But I guess we'll never know	Would you be the man I used to know
Many roads to take	What if I had never (8) away
Some to joy, (2) to heartache	'Cause I still love you (9) than I can say
Anyone can lose (3) way	If I'd stayed, if you'd tried
And if I said that we could turn it back	If we could only turn back time
Right back to the start	But I guess we'll never know
Would you take the chance and make the change	We'll never know
Do you (4) how it would have been sometimes
