

Fill in the gaps

(Why)	This boat is (15) (this boat is sinking)
(Why)	Let's go down to the water's edge
How many times	And we can cast away those doubts
Do I have to try to (1) you	Some things are better left unsaid
That I'm sorry for the things I've done	But they still turn me inside out
(Oooh)	Turning inside out
But (2) I start to try to tell you	Turning inside out
That's (3) you have to tell me	Tell me
Hey, this kind of trouble's only just begun	(Why)
I (4) myself too (5) times	Tell me
Why don't you (6) learn	(Why)
To keep (7) big (8) shut	This is the book I (16) read
That's why it (9) so bad	These are the words I (17) said
To hear the words	This is the (18) I'll (19) tread
That keep on (10) from (11)	_ These are the dreams I'll dream instead
mouth	This is the joy that's seldom spread
Falling (12) your mouth	These are the tears, the tears we shed
Falling (13) (14) mouth	This is the fear
Tell me	This is the dread
(Why)	These are the (20) of my head
(Why)	And these are the (21) that we've spent
I may be mad	And this is what (22) represent
I may be blind	And this is how I feel
I may be viciously unkind	Do you know how I feel
But I can still read	'Cause I don't think you know how I feel
What you're thinking	I don't (23) you (24) what I feel
(Ooooh)	I don't think you know what I feel
And I've heard it said too many times	You don't (25) what I feel
That you'd be better off	
Besides	
Why can't you see this boat is sinking
