

Keeps burning

## Fill in the gaps

I can't	And I don't mean to cry
Go along with it	It's just the smoke (5) in my eyes
You can say (1) what you like	You're breathing lies I want to believe in
But you still did it	When I'm watching you (6) out the door
You backtrack	I could fall through the floor
And change your act at a (2) lies a minute	I can't
But fool as I am I won't go along with it	Go along with it
Am I confused, am I a	You can say just what you like
Crazy person, you say it's	But you still did it
Old news she doesn't	You backtrack
Mean nothing	And change your act at a hundred lies a minute
But don't you understand that I am heartbroken	But fool as I am I won't go along with it
No matter what you do you just can't (3) it untrue	Let the (7) drum stop
You're breathing (4) I want to believe in	I wanna (8) back the clock
When I'm watching you walk out the door	I wanna find the missing pieces
I could fall through the floor	Of the whole love I lost
I can't	You say it like you mean it
Go along with it	And I want to believe it
You can say just what you like	'Cause I can't stop this feeling
But you still did it	I can't
You backtrack and change your act	Go along with it
At a hundred lies a minute	You can say just what you like
But fool as I am I won't go along with it	But you (9) did it
Too much to lose and it's	You backtrack
Still raining, I know it's	And change (10) act at a hundred lies a minute
Not a game so I'll	But fool as I am I won't go along with it
Stop playing	
But oh, my heart's on fire and it
