This is the manifesto
Of Mother Monster
On G.O.A.T.
A Goverment Owned Alien Territory In Space
A birth of magnificent
And magical proportions took place
But the birth was not finite it was infinite
As the (1) numbered
And the mitosis of the future began
It was percieved (2) (3) infamous moment in life
Is not temporal
It is eternal
And thus began the beginning of the new race
A race within the race of humanity
A race which bears no prejudice
No judgement but boundless freedom
But on that same day
As the eternal mother hovered in the multiverse
Another more terrifying birth took place
The birth of evil
And as she herself split into two
Rotating in agony between two ultimate forces
The pendulum of choice began its dance
That seems easy, you imagine
To (4) instantly and unweaveringly towards good
But she wondered
How can I protect something so perfect
Whithout evil?

It doesn't matter if you love him

Or capital H-I-M
