

Fill in the gaps

Where do they go
And what do they do
They're (1) on by
They're looking at you
Some (2) stop, some people stare
But would they help you and do they care
How did you fall
Did you fall at all
Are you (3) where you are
Sleeping underneath the stars
When it's cold is it your hope that keeps you warm
A spare bit of change
Is all (4) I give
How is that gonna help
When you've got no where to live
Some turn away so they don't see
I bet you'd look if that were me
How did you fall
Did you fall at all
Is it lonely where you are

Sleeping in between (5) cars
When it thunders where do you hide from the storm
Could you ever forgive
My (6) pity
When you've got nothing and your living
On the streets of the city
I couldn't (7) without my phone
But you don't even have a home
How did we fall
Can we get up at all
Are we happy where we are
On our lonely little star
When it's cold is it your hope (8) keeps you warm
Where do they go and (9) do they do
They're walking on by
They're (10) at you
They're walking on by
They're looking at you
