Where do they go	Sleeping in between parked cars
And what do (1) do	When it thunders where do you hide from the storm
They're walking on by	Could you ever forgive
They're looking at you	My self pity
Some (2) stop, (3) people stare	When you've got nothing and (10) living
But would (4) help you and do they care	On the (11) of the city
How did you fall	I couldn't (12) without my phone
Did you fall at all	But you don't even have a home
Are you happy where you are	How did we fall
Sleeping (5) the stars	Can we get up at all
When it's cold is it (6) (7) that keeps	Are we happy where we are
you warm	On our (13) little star
A spare bit of change	When it's cold is it (14) hope (15) keeps
Is all that I give	you warm
How is that gonna help	Where do (16) go and (17) do they do
When you've got no where to live	They're walking on by
Some turn away so they don't see	They're looking at you
I bet you'd look if that (8) me	They're (18) on by
How did you fall	They're (19) at you
Did you fall at all	
Is it (9) where you are
