## Fill in the gaps

came to win, to tight, to conquer, to thrive	That is now I know that the time is near	
I came to win, to survive, to prosper, to rise	So we become alive in a time of fear	
To fly	And I aint got no ********** time to spare	
To fly	Cry my eyes out for days upon days	
l wish (1) it will rain all day	Such a heavy burden placed upon me	
Maybe that will kinda make the (2) go away	But when you go hard your nay's (9)	yay's
Trying to forgive you for abandoning me	(Yankee Stadium with (10)	and Kanye's)
Praying but I think I'm still an angel away	I came to win, to fight, to conquer, to thrive	
Angel away, yeah strange in a way	I came to win, to survive, to prosper, to rise	
Maybe (3) is why I chase strangers away	To fly	
They got their guns out aiming at me	To fly	
But I become near when (4) (5) at	Get ready for it	
me	Get ready for it	
Me, me, me against them	Get ready for it	
Me against enemies, me against friends	I came to win	
Somehow they both seem to (6) one	Get ready for it	
A sea full of (7) and they all see blood	Get ready for it	
They start coming and I start rising	Get ready for it	
Must be surprising, I'm just surmising	I came to win	
I win, thrive, soar, higher, higher, higher	Get ready for it	
More fire	Get ready for it	
I came to win, to fight, to conquer, to thrive	Get ready for it	
I came to win, to survive, to prosper, to rise	I came to win	
To fly	Get ready for it	
To fly	Get ready for it	
Everybody (8) try to box me in	Get ready for it	
Suffocating everytime it locks me in	I came to win	
Paint they own pictures than they crop me in	To fight, to conquer, to thrive	
But I will remain where the top begins	I came to win, to survive, to prosper, to rise	
Cause I am not a word, I am not a line	To fly	
I am not a girl that can every be defined	To fly	
I am not fly, I am levitation		
I represent an entire generation
