

## Fill in the gaps

I came to win, to fight, to conquer, to thrive	That is now I know that the time is near	
I came to win, to survive, to prosper, to rise	So we become alive in a (8) of fear	
To fly	And I aint got no ********** time to spare	
To fly	Cry my eyes out for days upon days	
I wish today it will rain all day	Such a heavy burden placed upon me	
Maybe that will kinda make the pain go away	But when you go hard your (9)	_ become
Trying to forgive you for abandoning me	yay's	
Praying but I think I'm still an (1) away	(Yankee Stadium with Jay's and Kanye's)	
Angel away, yeah strange in a way	I came to win, to fight, to conquer, to thrive	
Maybe that is why I chase strangers away	I came to win, to survive, to prosper, to rise	
They got their guns out aiming at me	To fly	
But I become near when they (2) at me	To fly	
Me, me, me (3) them	Get ready for it	
Me against enemies, me against friends	Get ready for it	
Somehow they (4) seem to become one	Get ready for it	
A sea full of sharks and they all see blood	I came to win	
They (5) coming and I start rising	Get ready for it	
Must be surprising, (6) just surmising	Get ready for it	
I win, thrive, soar, higher, higher, higher	Get ready for it	
More fire	I came to win	
I came to win, to fight, to conquer, to thrive	Get ready for it	
I came to win, to survive, to prosper, to rise	Get ready for it	
To fly	Get (10) for it	
To fly	I came to win	
Everybody wanna try to box me in	Get ready for it	
Suffocating everytime it locks me in	Get ready for it	
Paint they own pictures than they crop me in	Get ready for it	
But I will remain where the top begins	I came to win	
'Cause I am not a word, I am not a line	To fight, to conquer, to thrive	
I am not a girl that can every be defined	I came to win, to survive, to prosper, to rise	
I am not fly, I am levitation	To fly	
I represent an entire generation	To fly
