Left My Heart In Tokyo by Mini Viva

Step up (1) to me	Down by the river don't you know
Am I dumb enough to believe	I had to let it go
When somebody says jump on this	Nobody know know knows
Would you follow them on your knees	I (5) my heart in Tokyo
Am I wrong or right	Down by the river don't you know
To be dancing (2) you tonight	I had to let it go
Said I'm done with his fantasies	Nobody knows, can bring it home
What I got is my sanity	(I left) my heart in Tokyo
My baby knows what I want	Down by the river don't you know
He's getting me in my thing	I had to let it go
He better takes what I got	Nobody (6) know knows
Or he won't see me again	I left my heart in Tokyo
'Cause there's been too many guys	Down by the river don't you know
Just making (3) on the floor	I had to let it go
My baby is reading my mind	Nobody knows, can bring it home
He knows that I'm needing more	Nobody knows, can bring it home
I left my heart in Tokyo	Nobody knows, can bring it home
Down by the river don't you know	Sick, sick, sick, sick so tired of the best dress
I had to let it go	Didn't (7) want to keep it for the rest
Nobody know knows	So I skipped to the next best
I left my heart in Tokyo	Didn't really know that I was gonna end up here
Down by the river don't you know	I left my heart in Tokyo
I had to let it go	Down by the river don't you know
Nobody knows, can bring it home	I had to let it go
Nobody knows, can bring it home	Nobody know knows
Nobody knows, can bring it home	I left my (8) in Tokyo
Seventeen and dumb	Down by the river don't you know
Look at me, I (4) right from wrong	I had to let it go
You and me, we got something on	Nobody knows, can bring it home
And I don't need to hear that come come	I left my heart in Tokyo
Seventeen and dumb	Down by the river don't you know
Look at me, I know right from wrong	I had to let it go
You and me, we got something on	Nobody know (9) knows
And I don't need to hear that come come	I left my heart in Tokyo
Make your mind with the diamonds in the right sack	Down by the river don't you know
Give it time and I'm gonna get you right back	I had to let it go
See the signs and I never ever write back	Nobody knows, can bring it home
I keep it tight 'cause I know you really like that	Nobody knows, can bring it home
Do it right and you know I'm gonna hype that	Nobody knows, can bring it home
All the rhymes and I'll stick until you write back
