

By Your Side by Sade

You think I'd leave your side, baby
You know me better than that
Think I'd leave you down
When you're down on your knees
I wouldn't do that
I'll do you (1)_____ when you want?
...
And if only you could see into me
(Oh) when you're cold
I'll be there, hold you tight to me
When you're on the outside, baby
And you can't get in
I will show you
You're so much (2)_____ than you know
When you're lost
You're alone and you can't get back again
I'll (3)_____ you, darling, and I'll bring you home
And if you want to cry
I am here to dry (4)_____ eyes
