

Fill in the gaps

I'm crying everyone's tears		The DJ's playing the (8) song
And there inside our private war I died the night before		I have so (9) to do, I have to carry o
And all of these remnants of joy and disaster		I wonder will this grief ever be gone
What am I supposed to do?		Will it (10) go

But nothing would change		I'm crying everyone's tears
Nothing would change at all		I have already paid for all my future sins
It's just a day that brings it all about		There's nothing anyone
Just another day		Can say to take this away
And nothing's any good		It's just another day
The DJ's playing the same song		And nothing's any good
I have so much to do, I (3) to (4)	on	I'm the king
I wonder if (5) grief will ever let me go		Of sorrow
I feel like		King of sorrow
I am the king		King of sorrow
Of sorrow		King of sorrow
The king of sorrow		Of sorrow
I suppose I could		King of sorrow
Just walk away		King of sorrow
Will I disappoint my (6) if I stay		King of sorrow
It's just a day that brings it all about		
Just (7) day		
And nothing's any good
