Feelings go

They try to catch a falling star
Thinking that she had gone too far
She did but kept it hidden well
Until she (1) and then she fell
If all the history is true
She's gonna end up just like you
You made it to the other side
But tell me who (2) be my guide
They build you up so they can tear you down
Trust the ocean you'll never drown
Who is next, who's (3) steal your crown
You'll see
I have (4) my lesson well
The truth is out there I can tell
Don't look back and don't give in to their lies
And goodbyes
Northern star
Fulfil the longing in your heart
Then we will never be apart
And if they dare to question you
Just (5) them that our love is true
They buy your (6) so they can sell your soul
Is it any (7) we've lost control
Feelings come

I have learnt my less	son well	
The (8)	is out there I can tell	
Don't (9)	back and don't succumb to their lies	
And goodbyes		
Live your life without regret		
Don't be someone w	ho they forget	
When you're lost rea	ach out for me and you'll see	
She's not far		
Northern star		
I have learnt my (10)) well	
The truth is out there	e I can tell	
Don't look back and	don't succumb to their lies	
And goodbyes

Don't be someone w	ho they forget
