

## Fill in the gaps

They try to catch a (1) star	Feelings go
Thinking (2) she had gone too far	I have learnt my lesson well
She did but kept it (3) well	The truth is out (16) I can tell
Until she cracked and then she fell	Don't look (17) and don't succumb to
If all the history is true	(18) lies
She's gonna end up (4) like you	And goodbyes
You made it to the other side	Live (19) life (20) regret
But (5) me who (6) be my guide	Don't be someone who they forget
They build you up so (7) can tear you down	When you're lost reach out for me and you'll see
Trust the ocean you'll never drown	She's not far
Who is next, who's gonna steal your crown	Northern star
You'll see	
I (8) learnt my lesson well	I have (21) my lesson well
The (9) is out (10) I can tell	The truth is out there I can tell
Don't look (11) and don't give in to	Don't (22) back and don't (23) to
(12) lies	(24) lies
And goodbyes	And goodbyes
Northern star	Live your life without regret
Fulfil the longing in your heart	Don't be (25) who (26) forget
Then we (13) never be apart	When you're lost (27) out for me and you'll see
And if (14) dare to question you	She's not far
Just tell them (15) our love is true	Northern star
They buy your dreams so they can sell your soul	Northern star
Is it any wonder we've lost control	
Feelings come
