Words Unspoken by Leroy Sanchez

I still remember your reflection (1) the low light	Every (14) I take
I still hear you calling my name, calling me right now	It (15) me feel so broken
You are the only one that's in my mind	There're so many (16) that have (17)
The (2) one (3) keeps me going	unspoken
Even (4) you aren't here next to me	And now I'm laying (18) here
Even though you ain't here by my side	Wondering why the (19) you had to disappear
Every breath I take	All my heart wide open
It makes me feel so broken	With words unspoken
There're so (5) words (6) (7)	You left me out here all alone, here on my own
(8) unspoken	With only memories
And now I'm laying down here	The (20) of a past still incomplete
Wondering why the (9) you had to disappear	But I'll be strong, won't (21) back, I'll move on
All my heart wide open	There're so many words (22) have gone unspoken
With (10) unspoken	Every (23) I take
Even though I'm walking fast	It makes me (24) so broken
I don't get any closer	There're so many words that (25) (26)
No, even (11) I'm praying every night	unspoken
Still (12) no answer no, no	And now I'm laying down here
I'm a dreamer (13) don't wake me up	Wondering why the hell you had to disappear
It's the only place where I still see you	All my heart wide open
Day doesn't seem to be enough	With words unspoken
To walk my path through
