

Fill in the gaps

I remember walking 'round the streets at night	You're innocent
I remember (1) talking about (2)	You think everything is possible
lives	And nothing's (17) get you baby
One of us never (3) it (4) that night	Everything is touchable
Drunk and (5) got the (6) of her	And nothing's gonna beat you in this life
mind	It's alright
Jenny died	(Whoo hoo ho)
The setting sun with (7) on	The setting sun with music on
The restless day was on	The (18) day was on
You can't see (8) the sun in your eyes	You can't see with the sun in (19) eyes
You're innocent	You're innocent
You think everything is possible	You think everything is possible
And nothing's gonna get you baby	And nothing's (20) get you baby
Everything is touchable	Everything is touchable
And nothing's gonna beat you in this life	And nothing's gonna (21) you in this life
It's alright	Everything is possible
(Whoo hoo ho)	And nothing's gonna get you baby
Holding hands drinking (9) in the	Everything is touchable
(10) lights	And nothing's (22) beat you in (23)
Summer breeze, feeling free, kissing the first time	life
One of us never made it home (11) night	It's alright
Easy love someone (12) (13) this	(Whoo hoo ho)
(14) a try	
Jenny tried	
The railway bridge, the river flowed	
With shallow (15) (16) below	
You can't see whit the sun in your eyes
