

## Fill in the gaps

Where do we go (1)	here	You must (6)	me
This isn't where		Why are you at my side	
We (2)	to be	How can I be	
We had it all		Any use to you now	
You believed in me		Give me a chance	
I believed in you		And I'll let you see how	
Certainties disappear		Nothing has changed	
What do we do		Deep in my heart I'm concealing	
For our dream to survive		Things that I'm longing to say	
How do we keep		Scared to confess	
All our passions alive		What I'm feeling	
As we used to do		Frightened you'll slip away	
Deep in my (3)	I'm concealing	You must love me	
Things that I'm longing to say		You (7) (8)_	me
Scared to confess		You must (9)	me
What I'm feeling			
Frightened you'll (4) away			
You (5) love me
