

Fill in the gaps

(Hello)	(Hey)
Sometimes you know you push me so hard	And who am I to tell you
I don't (1) how I feel	That I would (12) let you down
You almost make me doubt I (2) at all	That no one (13) could love you
It's not as though I (3) listen	Half as (14) as I do now
But there's just so much I don't hear	And who am I to tell you
Maybe I'll never be what you want	I'll always (15) you when you fall
(Hey)	Well I
I know that all you're asking for	I wouldn't be myself at all
Is a (4) place in my heart	At all
But I don't (5) it easy to give	I didn't (16) to do what everybody does
Maybe I get a little selfish sometimes	And (17) the truth to (18) we never
Why shouldn't I	knew
I used to say I love you but	A thing about love 'cause this is
Would it make a (6) this time	Real life, real love
And who am I to (7) you	And knowing what it (19) (20) too
That I would never let you down	It (21) be enough
That no one else could (8) you	And who am I to tell you
Half as (9) as I do now	That I would (23) let you down
And who am I to tell you	That no one else could love you
I'll always catch you when you fall	Half as (24) as I do now
Well I	Who am I to tell you
I wouldn't be myself at all	I'll always catch you (25) you fall
At all	Well I
I always find a reason why I didn't put you first	
It's not (10) complicated I know	(I wouldn't be myself at all)
I really hate it when you shake your head like	
This ain't gonna work	
Maybe you'll never (11) what you sow	

1. know
