Fill in the gaps

Dance		I know you find it hard
It's all I wanna do		But baby, breathe
So won't you dance		You being next to me is all you need
I'm standing here (1) you		And I'll take you there
Why won't you move		I'll take you higher, higher, higher
I'll get inside your groove		All the lovers
'Cause I'm on fire, fire, fire		That have gone before
It hurts		They don't compare
When you get too close		To you
But baby it hurts		Don't be running
If (2) is really good		Just give me a (5) bit more
You just want more		They don't compare
Even if it throws you to the fire, fire, fire, fire		All the lovers
All the lovers		Dance
That have gone before		It's all I wanna do so won't you dance
They don't compare		I'm standing here with you
To you		Why won't you move
Don't be running		Even if it throws you to the fire, fire, fire
Just give me a little bit more		All the lovers
They don't compare		That have gone before
All the lovers		They don't compare
Feel		To you
Can't you see there's so (3)	here to feel	Don't be running
Deep inside in your heart		Just give me a (6) bit more
You know I'm real		They don't compare
Can't you see that		All the lovers
