Dance	I know you (7) it hard
It's all I wanna do	But baby, breathe
So won't you dance	You (8) next to me is all you need
I'm (1) here with you	And I'll take you there
Why won't you move	I'll take you higher, higher, higher
l'II get (2) groove	All the lovers
'Cause I'm on fire, fire, fire	That (9) (10) before
It hurts	They don't compare
When you get too close	To you
But baby it hurts	Don't be running
If love is really good	Just give me a little bit more
You just want more	They don't compare
Even if it throws you to the fire, fire, fire, fire	All the lovers
All the lovers	Dance
That have gone before	It's all I wanna do so won't you dance
They don't compare	I'm standing here with you
To you	Why won't you move
Don't be running	Even if it throws you to the fire, fire, fire
Just (4) me a little bit more	All the lovers
They don't compare	That have gone before
All the lovers	They don't compare
Feel	To you
Can't you see there's so much here to feel	Don't be running
Deep inside in (5) heart	Just give me a little bit more
You (6) I'm real	They don't compare
Can't you see that	All the lovers
This is really higher, higher, higher, higher
