

## Fill in the gaps

## Spirit Indestructible by Nelly Furtado

From my one (1)	(2) wind	low I see	Unbreakable and that's	s for sure		
outside			Unshakeable so give me more			
I've got chains on my feet but not in my mind			(A E I O U)			
I'll be dancing all day, see the sun outside			And (6)	they may and though they may		
Don't know how long it will be, can't stop me			Take you away, take you away			
I have a spirit indestructible			You'll never break, you'll never break			
A heart that loving was made for			And though they may and though (7) may			
A body that's a miracle			Take you away, take you away			
I have a spirit indestructible			They'll never break, they'll never break you			
A heart that was made pure			I have a spirit indestructible			
Unbreakable and that's for sure			A heart that loving was made for			
Unshakeable so give me more			A body that's a miracle			
Through my tired eyes I (3) out the rain			Spirit, spirit, spirit			
With a meditation I erase my pain			I (8) a spirit indestructible			
There's a rythym (4) through every vein			A heart that was made pure			
And the melody is never-ending			Unbreakable and that's for sure			
I have a spirit indestructible			Unshakeable so (9) me more			
A heart that loving was made for			(A E I O U)			
A body that's a miracle						
I have a spirit indestructible						
A heart (5) was ma	ade pure
