### In The Dark by Dev & The Cataracts

On my (1) through my hair	rm (16) (17) to you if you
Think (2) it when you (3) me there	(18) my seas
Close my eyes here you are	Now that you got me boy
All alone (4) in the dark	You know you better (20) it
Tell me baby if it's wrong	Flavor it get, get it right, savor it
To let my hands do what they want	Wanna see who you are
Late at night I pretend we are	Got a sex drive to push the start
Dance dance dancing in the dark	I got a sex drive to push the start
Dancing in the dark	Push push push the start
Dancing in the dak	Push push (21) push the start
When you work on me	I got a sex drive to push the start
Open my body up and do some surgery	On my (22) through my hair
Now that you got me up	Think about it when you touch me there
(6) it, taste it	Close my eyes (23) you are
And see those pocket aces	All alone (24) in the dark
I wanna see who you are	Tell me baby if it's wrong
I got a sex drive to push the start	To let my hands do (25) they want
I got a sex (7) to (8) the start	Late at night I pretend we are
Push push push (9) the start	Dance dance dancing in the dark
Push push push (10) the start	Tell me (26) if it's wrong
I got a sex (11) to (12) the start	Dancing in the dark
On my waist through my hair	To let my hands do what they want
Think about it when you (13) me there	Dancing in the dark
Close my eyes here you are	It's the cataracts
Dance (14) (15) in the dark	Dancing in the dark
Dancing in the dark	Dancing in the dark
Dancing in the dark
