Fill in the gaps

In Love With A Girl by Gavin DeGraw

So many people gonna say that they want you	Took my sweet time when I was bitter
To try to get you thinking they really care	Someone understands
But there's nothing like the warmth of the one	And she knows how to treat a fella right
Who has put in the time	Give me that (6) every night
And you know he's gonna be there	Wants to make love when I wanna fight
Back your border when she (1) someone	Now someone understand me
crossed it	I'm in (7) with a girl (I'm in love with)
Don't let nobody put you down, who your with	I'm in love with a girl (I'm in love with)
Take the pain of protecting your name	Gonna tell you what you do to think you practice
From the crutch to the cane to the high-wire	What you preach
I'm in love with a girl who knows me better	Now I know there's nothing we cant reach
Fell for the women just when I met her	'Cause the heart can't erase once it finds a place
Took my sweet time when I was bitter	To be warm and welcome
Someone understands	To be held in shelter
And she knows how to treat a fella right	I'm in love with a girl who knows me better
Give me that feeling (2) night	Fell for the women just when I met her
Wants to make love when I wanna fight	Took my sweet time when I was bitter
Now someone understand me	Someone understand
I'm in love with a girl (I'm in love with)	And she knows how to (8) a fella right
I'm in love with a girl (I'm in love with)	Give me that feeling every night
	Wants to make love when I (9) fight
Out the many broken (3) and windows	Now someone understands me
Through the valley of the love of the lost	I'm in love with a girl (I'm in love with)
Is a hole that is cut through the souls falling down	I'm in love with a girl (I'm in love with)
From the thrones without leaving any windows	I'm in love with a girl (I'm in (10) with)
But you found inner piece for the moment	Who knows me better
The moment was (4) in time	Wants to make love when I wanna fight
Then its gone the hit and run the tactless	Now someone understand me
One has a short life	
I'm in love (5) a girl who knows me better	
Fell for the women just when I met her	

- 1. knows
- 2. every
