In Love With A Girl by Gavin DeGraw

So many people gonna say that they want you	Took my sweet time when I was bitter
To try to get you thinking they really care	Someone understands
But there's nothing like the warmth of the one	And she (6) how to (7) a fella right
Who has put in the time	Give me that feeling every night
And you know he's gonna be there	Wants to make love when I wanna fight
Back your border when she knows someone crossed it	Now someone understand me
Don't let nobody put you down, who your with	I'm in love with a girl (I'm in love with)
Take the pain of protecting (1) name	I'm in love with a girl (I'm in love with)
From the crutch to the (2) to the high-wire	Gonna tell you what you do to think you practice
I'm in love with a girl who knows me better	What you preach
Fell for the women just when I met her	Now I know there's nothing we cant reach
Took my sweet time when I was bitter	'Cause the heart can't (8) once it finds a place
Someone understands	To be warm and welcome
And she knows how to treat a fella right	To be held in shelter
Give me that feeling every night	I'm in love with a girl who knows me better
Wants to make love when I wanna fight	Fell for the women just (9) I met her
Now someone (3) me	Took my sweet time when I was bitter
I'm in love (4) a girl (I'm in love with)	Someone understand
I'm in love with a girl (I'm in love with)	And she knows how to treat a fella right
	Give me that feeling every night
Out the many broken backdoors and windows	Wants to make love when I wanna fight
Through the valley of the love of the lost	Now someone (10) me
Is a hole that is cut through the souls falling down	I'm in love with a girl (I'm in love with)
From the (5) without leaving any windows	I'm in love with a girl (I'm in love with)
