

## Fill in the gaps

When the world starts to get you down	I wanna go fast and I (6) go far
And nothing seems to go your way	Don't ask me to explain how I feel
And the noise of the maddening crowd	'Cause I don't want to say where I'm going
Makes you feel like you're going to go insane	Turn down the noise and turn up the volume
There's a glow of a (1) light	Don't have a choice 'cause the temperature's pounding
Calling you to come outside	If leaving this place is the last thing I do
To feel the wind on your face and (2) skin	That I want to escape with a person just (7) you
And it's here I begin my story	Buzzing around like a moth to a flame
Turn up the radio	I'm so sick and tired of (8) (9)
Turn up the radio	game
Don't ask me where I wanna go	We gotta have fun if that's all that we do
We gotta (3) up the radio	Gotta shake up the system and break all the rules
It was time that I opened my eyes	Gotta turn up the radio until the speakers blow
I'm leaving the past behind	Turn up the radio
Nothing's ever what it seems	Turn up the radio
Including this time and this crazy scene	Don't ask me where I wanna go
I'm stuck like a moth to a flame	We gotta turn up the radio
I'm so tired of playing this game	Turn up the radio
I don't (4) how I got to this state	Turn up the radio
Let me out of my (5) 'cause I'm dying	There's somethings you don't need to know
Turn up the radio	Just let me turn up the radio
Turn up the radio	Turn up the radio
Don't ask me where I wanna go	Just let me turn up the radio
We gotta turn up the radio	Just let me turn up the radio
Turn up the radio	Turn up the radio
Turn up the radio	Just let me turn up the radio
Don't ask me where I wanna go	Let me turn up the radio
Turn up the radio	
I just wanna get in my car
