

## Fill in the gaps

I can't believe I had to see
The girl of my (1) cheating on me
The pain you caused has (2) me dead inside
I'm gonna make sure you regret that night
I feel you close, I feel you breathe
And now it's like you're here
You're (3) me
You're out of line, you're out of sight
You're the reason that we started this fight
But I, I, I know I just gotta let it go
I, I should've known
I gotta learn to say goodbye now
I throw my armour down
And (4) the battleground
For the final time now I, I, I know
I'm running from a warzone
In that house, I hate that place
Everywhere I walk I see your face
Try to erase a memory with a flame
In hope I'll never see you again
Standing here in this (5) room
You know the end could never come so soon
It's clear to me the lies you used

The ones that killed me aint hurting you so I, I, I know I just gotta let it go I, I should've known I gotta learn to say goodbye now I throw my armour down And leave the battleground For the final time now I, I, I know I'm running from a warzone I'm running (6)\_\_\_\_\_ a warzone I can't do (7)\_\_\_\_\_ anymore I'm (8)\_\_\_\_\_ from a warzone What are we fighting for? I'm running from a warzone (Yeah) I, I, I know I just (9)\_\_\_\_\_ let it go I, I should've known I gotta learn to say goodbye now I throw my armour down And leave the battleground For the final time now I, I, I know I'm (10)\_\_\_\_\_ from a warzone
