

Fill in the gaps

Healing Begins by Tenth Avenue North

So you thought you had to (1) this up	There's freedom waiting in the sound
All the work that you do	When you let your (14) fall to the ground
So we think that you're good	We're here now
And you can't believe it's not enough	We're (15) now (oh oh)
All the (2) you built up	This is where the (16) begins (oh oh)
Are just glass on the outside	This is where the healing starts
So let 'em fall down	When you (17) to where you're broken within
There's freedom waiting in the sound	The light meets the dark
When you let your (3) fall to the ground	The light (18) the dark
We're here now	Sparks will fly as grace collides
This is where the healing (4) (oh oh)	With the dark inside of us
This is where the (5) starts	So please don't fight
When you (6) to (7) you're broken	This coming light
within	Let (19) (20) (21)
The light meets the dark	(22) us
The light (8) the dark	His blood can cover us
Afraid to let (9) out	This is (23) the (24)
Everything that you hide	(25) (oh oh)
Can come crashing through the door now	This is where the healing starts
But too (11) to face all your fear	When you come to where you're broken within
So you (12) but you find	The light (26) the dark
That the shame won't disappear	The light meets the dark
So let it (13) down
