

## Fill in the gaps

(Oh) I can't believe (1) she said	They don't (4) what they've been doing
I can't believe what he did	(Oh) Father, give me grace to forgive them
(Oh) don't they know it's wrong	'Cause I feel like the one (5) (oh no)
Don't they know it's wrong, yeah	Why do we think that hate's gonna change the heart
Maybe there's something I missed	We're up in arms over wars
But how could they (2) me (3) this	That don't need to be fought
It's wearing out my heart	Pride won't let us lay weapons on the ground
The way they disregard	We build our bridges up but just to burn them down
This is love, this is hate	We think pain is owed an apology and then it'll stop
We all have a choice to make	Truth be told it doesn't matter if we're sorry or not
(Oh) Father won't You forgive them	Freedom (6) when we surrender to the sound
They don't know what they've been doing	Of Your mercy and Your grace
(Oh) Father, give me grace to forgive them	Father, send Your angels down
'Cause I feel like the one losing	(Oh) Father won't You forgive them
It's only the dead that can live	They don't know what they've been doing (oh no)
But still I wrestle with this	(Oh) Father, (7) me grace to forgive them
To lose the pain that's mine	'Cause I feel (8) the one losing
Seventy times seven times, yeah	Yeah, I (9) like I've been losing
Lord it doesn't feel right	(Oh) Father, give me grace to forgive them
For me to turn a blind eye	'Cause I feel like the one losing
Though I guess it's not that much	I feel like I've been losing
When I think of what You've done	(Oh) Father, give me grace to (10) them
This is love, this is hate	'Cause I feel like the one losing
We gotta a choice to make	
(Oh) Father won't You forgive them
