

I gotta screen my phone calls

## Fill in the gaps

You think that we connect	Now it's (7) to deep
That the chemistry's correct	You wake me in my sleep
Your words (1) (2) through my ears	My dreams become nightmares
Presuming I like what I hear	'Cause you're (8) in my ears
And now I'm stuck in the	Sorry I'm not home (9) now
The web you're spinning	I'm walking into spiderwebs
You've got me for you prey	So leave a message
Sorry I'm not (3) right now	And I'll call you back
I'm walking into spiderwebs	A likely story, but leave a message
So (4) a message	And I'll call you back
And I'll call you back	And it's all your fault
A likely story, but leave a message	I screen my phone calls
And I'll call you back	No matter who calls
You're intruding on what's mine	I gotta screen my phone calls
And you're taking up my time	(Ooh) spiderwebs so
Don't have the (5) inside me	Leave a message and I'll call you back
To tell you, "Please let me be"	I'm walkin into spiderwebs
Communication, a telephonic invasion	Leave a message and I'll call you back
I'm planning my escape	It's all your fault
Sorry I'm not home (6) now	I screen my phone calls
I'm walking into spiderwebs	No matter who calls, no matter who calls
So leave a message	I'm walkin into spiderwebs
And I'll call you back	Leave a message and I'll call you back
A likely story, but (Yeah) leave a message	I'm walkin into spiderwebs
And I'll call you back	Leave a (10) and I'll call you back
And it's all your fault	
I screen my phone calls	
No matter who calls
